# Reading Your Season

The same season can be read two ways. Tick the assumptions you have been living with, then the reading Scripture offers instead.

*What you call stagnation, God may call preparation.*

CHAPTER 1

— TWO READINGS

## How am I naming this season?

### WITHOUT A FRAMEWORK, BELIEVERS ASSUME

- ☐ Silence means distance
- ☐ Delay means failure
- ☐ Obscurity means irrelevance
- ☐ Difficulty means misalignment

### SCRIPTURE'S INTERPRETATION

- ☐ What feels like slowdown is preparation
- ☐ What feels like silence is formation
- ☐ What feels like delay is development
- ☐ What feels like the end of growth is a different kind of growth

*The season is the same. The interpretation is everything.* · CHAPTER 1

— TWO TRAJECTORIES

## Stuck, or being formed?

### STAGNATION PRODUCES

- ☐ Disengagement
- ☐ Apathy
- ☐ Drift

### FORMATION PRODUCES

- ☐ Deeper reflection
- ☐ Increased sensitivity
- ☐ Growing stability

*The external signs may look similar. The internal trajectory is not.* · CHAPTER 13

## — REFLECT

## What is God forming in me right now?

## How I have been naming my season

## What God may be forming in me

One way I will cooperate with Him this week
