

— FOR EVERYONE · CHAPTER 8

Where Am I in the Cycle?

God forms His people through a pattern that repeats across Scripture. Read the six stages, mark the one that sounds most like your life right now, and use the evening question for a week.

Spiritual maturity is not random. God forms His people through a recognizable process.

CHAPTER 8

— THE SIX STAGES

Mark the one that fits today

☐ **1. Revelation**

God is showing me something about Himself, myself or my next step.

☐ **2. Response**

I am deciding whether to obey what He has shown me.

☐ **3. Testing**

What I have obeyed is being tried by delay, difficulty or cost.

☐ **4. Formation**

Character is quietly being shaped in me through what I am walking through.

☐ **5. Commission**

God is entrusting me with more: people, responsibility or a new assignment.

☐ **6. New Revelation**

He is beginning to show me something deeper than before.

Then the cycle begins again at a deeper level.

— REFLECT

Where I am

What has God been showing me recently?

How am I responding, or resisting?

If I am in testing, what might He be forming in me?

— EACH EVENING

What has God been showing me, and how am I responding?
